

## INDIGESTION, HEARTBURN, HEADACHE AND GAS ON STOMACH WILL VANISH.

A Little Diapepsin makes  
your out-of-order Stomach  
feel fine in five min-  
utes.

If what you just ate is souring on  
your stomach or lies like a lump of  
lead, refusing to digest, or you belch  
gas and Eructate sour, indigestion  
food or have a feeling of Dizziness,  
Heartburn, Fullness, Nausea, Bad taste  
in mouth and stomach headache—this  
is Indigestion.

A full case of Pape's Diapepsin costs  
only 50 cents and will thoroughly cure  
your out-of-order stomach, and leave  
sufficient about the house in case some  
one else in the family may suffer from  
stomach trouble or indigestion.  
Ask your pharmacist to show you the  
formula plainly printed on these  
50-cent cases, then you will under-

stand why Dyspepsia trouble of all  
kinds must go, and why they usually  
relieve sour, out-of-order stomachs or  
Indigestion in five minutes. Diapepsin  
is harmless and tastes like candy,  
though each dose contains power suffi-  
cient to digest and prepare for assimila-  
tion into the blood all the food you  
eat; besides, it makes you go to the  
table with a healthy appetite; but  
what will please you most is that you  
will feel that your stomach and intest-  
ines are clean and fresh, and you will  
not need to resort to laxatives or liver  
pills for Bilelessness or Constipation.  
This city will have many Diapepsin  
cranks, as some people will call them,  
but you will be cranks about this  
splendid stomach preparation, too, if  
you ever try a little for Indigestion or  
Gastritis or any other Stomach misery.  
Get some now, this minute, and for-  
ever rid yourself of Stomach Trouble  
and Indigestion.

## For Catarrh

Medicine Free in Every Case  
Where it Fails to Relieve.

Neglect or pessimism, we believe, is  
the greatest enemy the public has to  
contend with when the disease is loss  
or recovery of health. Practically every  
case of consumption might have been  
cured if hope had been maintained and  
proper treatment had been resorted to  
at the first symptoms of the disease. Un-  
til the advanced stage is reached con-  
sumption is curable. Catarrh is respon-  
sible, we believe, for many cases of con-  
sumption. It is about catarrh we want  
to talk to you today, incidentally con-  
sumption, since the two are so closely  
allied.

We have a medicine made from a pre-  
scription of one of the most successful  
catarrh specialists known. We believe  
it is positively without an equal. We  
are so satisfied that we are right, that  
we will supply the medicine free in  
every instance where it is used accord-  
ing to directions for a reasonable  
length of time, should it fail to give  
satisfaction in every particular. We  
want every one to try this medicine and  
our risk. There are no conditions at-  
tached to our offer. We put the user  
under no obligation to us whatever.

The medicine we want you to try is  
Rexal Muc-Tone. It is a catarrh re-  
medy that goes direct to the seat of  
trouble. It is carried by the blood to  
every part of the system. It purifies  
and enriches the blood, tones up the  
mucous cells, and brings about a con-  
dition of health and strength that tends  
to prevent the germs of consumption  
from getting a start. Besides this,  
Rexal Muc-Tone is a wonderful ap-  
petizer, digestive aid and flesh builder.  
Its good effects are often felt from  
the very first dose. It is one of the  
largest and most satisfactory selling  
medicines that we have ever had any-  
thing to do with.

We know so much of the great good  
that it has done that we personally  
back it up with our reputation and  
money, which fact should be ample  
guarantee to satisfy anybody. Rexal  
Muc-Tone comes in two sizes, 50 cents  
and \$1.00. We urge you to try it. Re-  
member you can obtain Rexal Rem-  
edies in El Paso only at our stores—The  
Rexal Stores. People's Drug Store and  
Kelly & Pollard.

## TO BUILD GARBAGE AND SEWAGE PLANT FOR \$100,000

Mayor Authorized to Sign a  
Contract With Port-  
land Company.

El Paso will ere long witness the  
construction of a garbage incinerating  
plant of 40 tons capacity daily to cost  
\$60,000 and a sewage disposal plant  
which will not exceed \$40,000 in cost.

This was decided upon Thursday by  
mayor Sweeney and members of the  
city council when they discussed two  
bids presented for the construction of  
the incinerating plant. One of these was  
presented by the Public Works Engi-  
neering company, of Portland, Ore., and  
its bid was for \$57,357, while the Power  
Specialty company, of New York, bid  
\$61,700, but neither concern bid on the  
sewage disposal plant. The two bids  
were rejected as they were considered  
too high, the council having issued  
bonds in the sum of only \$100,000 for  
the construction of the two plants.

For a time it looked as though mayor  
Sweeney would have to reconsider his  
determination to quit the mayoralty  
this year and hold over for it seemed as  
though it would be necessary to adver-  
tise again for bids, dropping the plans  
presented by Herring and Fuller, the  
New York engineers, who prepared the  
plans for the two buildings.

However, Fred P. Smith, of the pub-  
lic works engineering company, of  
Portland, presented a proposition which  
the council decided to accept and the  
mayor was authorized to sign a con-  
tract with him.

Smith agreed to present the plans for  
the two buildings, to protect the city on  
all patents and give bond in the sum  
of \$20,000 for the two plants if built in  
connection.

He agreed to leave his plans open  
to public competition but said he would  
not allow the plant to be constructed  
except under the supervision of the  
company that he represented. He showed  
plans of several plants which had been  
designed and constructed by his com-  
pany.

Smith will remain in the city until  
Saturday morning, when he will report  
back to the city council and the con-  
tract will be signed.

## ACTIVITY IN EL PASO BUILDING

Real Estate Transfers Con-  
tinue Numerous—County  
Has the Fever.

Steadily El Paso building improve-  
ments continue, and if the permits is-  
sued Thursday can be taken as an in-  
dication, March will show up exceed-  
ingly well in the matter of improve-  
ments. Nine were issued during the  
day, and although most of these were  
for minor improvements, they indicate  
that many buildings are to be recon-  
structed and considerably improved  
according with the general ideas that  
are being carried out by property own-  
ers in making their homes and busi-  
ness houses more attractive and better  
adapted to their uses.

That summer is fast approaching is  
indicated by one permit issued to ju-  
stice E. H. Watson, who likes to sleep  
out in the cool air, and has decided to  
enlarge his sleeping porch on his Mon-  
tana street residence.

Among the deeds filed are three from  
Van Horn, Texas, showing that the con-  
tagion of real estate activity is spread-  
ing all over El Paso county, and that  
the ranchers have the fever.

Marriage licenses are not numerous  
at this time, owing to the Lenten sea-  
son, but Dan Cupid manages to give  
out one or two diplomas each day.

## You Very Dressy Men

—particular about style, about fit, about the shape-  
keeping qualities of your clothes; be just as particu-  
lar about quality, too; be sure you get all-wool  
fabrics in the clothes you buy, whatever you buy  
and whatever price you pay.

The two makes of men's clothing that we sell—the H. S. & M. and Kup-  
penheimer—offer you all you want in clothes; better styles than the aver-  
age tailor can possibly design; better workmanship than he can produce;  
and every fabric strictly all wool. The best isn't too good for our cus-  
tomers.

We made our selections carefully this spring; only got two or  
three suits of a kind; for we know that particular men don't want  
to meet "their suit" every time they go out. You'll appreciate  
this exclusiveness we know, for it lends individuality to the  
clothes you wear.

Now, we want you to let us show these grand clothes. Don't feel that because you look you  
will be urged to buy—we'll show you just as cheerfully whether you come to look or to buy.  
The clothes themselves are the most convincing arguments we can offer why you should buy  
here.

## Suits \$20.00 to \$40.00

### Easter Neckwear

Of course you'll "blossom out" on Easter Sunday  
with a new tie to keep the new suit company.  
The new ones that came to us this last week are  
just about the handsomest you ever saw. They're  
made of a beautiful quality of fancy and striped  
silks in the correct spring colors.

You'll find it rather hard to choose in this store—  
there are so many, and such attractive kinds to  
select from—silk hose in all colors and black, fancy  
stripes, plain blacks and colors embroidered in  
fancy designs, and the good, plain, substantial  
kinds as well.
